

PRESS RELEASE - GRAND DESIGN WEEK

(Title) ARVIVID WILL BE SHOWCASING ARTWORK FROM OUR GLOBAL COMMUNITY OF ARTISTS DURING THE GRAND DESIGN LIVE - LONDON

(Summary) ARVIVID.com, the online art & prints gallery representing artists from around the world, will be exhibiting at the **stand C7B** during this edition of **GRAND DESIGN WEEK**, introducing a carefully curated selection of artwork in different formats and sizes, to showcase the artistic diversity of our online artist community.

(Body) ARVIVID's art collection will travel to London, where contemporary art will meet the interior design world at the ARVIVID stand, welcoming visitors with unique art prints, including limited edition artwork.

The pieces represented during the fair will be a sample of ARVIVID's diverse art portfolio, which includes photography, painting, illustration and collage. All pieces **can be customized in size and mediums depending on the requirements of each decor project**.

"ARVIVID's mission is to seek to empower creativity from artists around the world, while offering buyers and collectors art pieces that last for generations," said Rebeca Kung, Founder of ARVIVID.com. This can be achieved through fine-art giclée printing technology and premium materials used for the artwork.

There will also be limited edition works by **renowned Hong Kong artist John Wong**, known for his mastery of the "new ink" technique, blending traditional Chinese Calligraphy with Western water-colour.

(Boli et plate) ABOUT ARVIVID

ARVIVID is an online art & prints gallery that **connects creators, buyers, and communities through art** that positively impacts the world around them.

Combining art with interior design, ARVIVID helps create the perfect setting for both private and public spaces - from homes and hotels to restaurants and cafés.

One of the main characteristics of ARVIVID is that it represents a unique and diverse portfolio. Each piece tells a story and is presented with the creator behind it. All this added to the **premium quality production** with exceptional finishes that adapt to different design requirements.

ARVIVID also aims to impact the world through art, supporting NGOs in any of the following categories: Equality and Diversity, Environment and Climate, Children and Education, Medicine and Health.

*Come say hello to the team at **stand C7B... let's have a coffee and talk art!***
